ABOUT GUIDO'S FRESH MARKETPLACE

Your local, family-owned grocery store

Guido's Fresh Marketplace has been feeding the Berkshires for over 40 years. When we started in 1979, our motivation was simple: We loved good food, and we were passionate about fresh and beautiful ingredients. This is still true today, and we remain steadfast in our collective dedication to bringing Guido's customers the freshest, highest quality foods we can find.

What started as a small, roadside produce stand has now grown to two comprehensive, old-world style food marketplaces where you can find peak produce, grocery staples, meat and seafood, flowers, gifts, wine and beer, prepared foods, and much more. Visit us at our two Berkshire locations in Pittsfield and Great Barrington, Massachusetts, both conveniently located on Route 7.
