

YOUR MONTHLY GUIDE TO DELICIOUS DEALS AND HAPPENINGS IN OUR STORES

NOVEMBER

It's the people

around the table that truly make Thanksgiving special, don't you think? Whether it's the family you were born into, the one you created, or the friends you've gathered along the way, this holiday brings us together in celebration of the people we love most. Every dish on the table tells a story—one filled with memories, traditions, and the tastes that bring comfort to those we cherish. Maybe it's the buttery sage stuffing you've been making for years, or the crispy roasted Brussels sprouts with a new twist. It's as if traditions shape themselves over years, fluid and expanding, always making room for the new guest at the table and their must-have dish.

Thanksgiving is one of our favorite times of the year at Guido's, and we love doing everything we can to make your holiday as smooth and special as possible. We have extended hours, ready-to-go meals and sides available for preorder, and plenty of turkeys. But most of all, we want to express our deep gratitude for you, our community. That's why we're starting off this month of gratitude with a big Thank You Thursday event on November 7. It feels like just the right way to kick off the holiday season, and we hope you'll join us!

Read on for the best of November in our stores!

We asked Guido's staff members to share what they love about YOU, our customers. Here are a few love letters from Guido's Staff:

-  "Having the privilege to work with our customers for many years, I can attest to loyalty beyond what can be explained. It started with the tornado that hit this area just a few short months after the Great Barrington store opened. Our customers could not travel to the store, but so many called to make sure we were okay and that the store was intact. We have had families bring their children in, and as they have grown older those children have become part of our staff. We have so many relationships built on trust built through celebrations and condolences. I thank you; we thank you, YOU'RE THE BEST!!"
 - Cheryl D.
-  "I'm grateful for our regulars who are compassionate when we are busier than normal. I often hear how kind and helpful my team is, and I'm so grateful when people take the time to give positive feedback. Coming from a 'big box' store, I really appreciate how people think of shopping here like a treat not a chore!"
 - Ashley L.
-  "Guido's cuenta con clientes cautivos que se han vuelto fieles al Supermercado por la calidad de sus productos en un mercado donde la salud juega un papel importante. Por esta razón debemos estar atentos y agradecidos con estos clientes que permanentemente nos visitan y debemos brindarles una buena experiencia de compra y hacerlos sentir importantes."
 - Jorge M.
