

NOVEMBER

It's the people around the table that truly make Thanksgiving special, don't you think?

Whether it's the family you were born into, the one you created, or the friends you've gathered along the way, this holiday brings us together in celebration of the people we love most. Every dish on the table tells a story—one filled with memories, traditions, and the tastes that bring comfort to those we cherish. Maybe it's the pecan and cherry stuffing you've been making for years, or the crispy roasted Brussels sprouts recipe with a new twist. It's as if traditions shape themselves over years, fluid and expanding, always making room for the new guest at the table and their must-have dish.

Thanksgiving is one of our favorite times of the year at Guido's, and we love doing everything we can to make your holiday as smooth and special as possible. We have extended hours, ready-to-go meals and sides available for preorder, and plenty of turkeys. But most of all, we want to express our deep gratitude for you, our community. That's why we're starting off this month of gratitude with a big Thank You Thursday event on November 6. It feels like just the right way to kick off the holiday season, and we hope you'll join us!

Read on for the best of November in our stores.

WINE DEPARTMENT
VINE & DINE SELECTION

DOMAINE BOUSQUET RESERVE ORGANIC PINOT NOIR

Mendoza, Argentina

\$13.99, Save \$2

100% Pinot Noir. Burgundy Style, aged for 10 months in French oak. This blend of Domaine Bousquet estate-grown grapes from plots with low yields offer more of everything - more body, more tannin in the reds, and more flavor. The 4,000-foot elevation ensures that, with the right handling, the grapes for these wines lend an Old World elegance so prized by wine lovers. Expect red fruit aromas like strawberry and cherry with vanilla notes. On the palate, the wine is elegant and balanced with medium body and acidity. Ideally pairs with duck, chicken, pork and mushroom dishes.
